

## OVERVIEW

Uniform Distribution for AA, AAA and Majors divisions will take place on the evenings of May 16<sup>th</sup> and 17<sup>th</sup>. The distribution will take place by team, near the shed on the East end of the Scheels Complex. Teams will be scheduled based on their designated practice times. Again, uniform distribution will be by team – not individually – and teams must report at the dates and times outlined below. If there are players that are not able to be at their scheduled practice, they should reach out to their coach and provide an idea of what size jersey and pants they will need. Jerseys are dri-fit style t-shirts. For pants, a size chart image is included below to help you determine sizing.

## PROCESS

It is VERY IMPORTANT that teams report to the shed as a group – including at least one coach (more than 1 adult will be helpful). Jerseys, belts, socks and caps will be presorted by division and team. When the team checks in at the shed, the coach will be given those items (in group). The coaches will be asked to step off to the side, slightly away from the shed and hand out those items. The players will be given a pair of pants to take home with them. Pants WILL NOT BE tried on at the shed – they will be handed out by way of visual sizing. If the pants do not fit, you can bring them back to the shed to exchange them during the specific exchange times that we have listed below. Parents – if your player has pants from last year, it would be good to use that as a starting point for this year. Please make sure your player knows what size they are, and they can communicate that to the volunteer who is helping their team.

## DISTRIBUTION SCHEDULE

Teams that have late practices will get uniforms before practice (check in at the shed between 5:30 – 6:45 pm). Teams that have early practices will get uniforms after practice (check in at the shed between 7:00 – 8:15 pm). There is no specific time – just show up during that time frame – AS A GROUP.

## PANT EXCHANGES

Pants can only be exchanged if they are returned in their bag and have not been worn (other than for trying on). We strongly encourage families to only try to exchange if there is a significant issue with the sizing of the waist area – NOT THE LENGTH. If you need to exchange pants, please stop by the shed on the East end of the complex during the following dates/times:

- Tues, May 17<sup>th</sup> – 5:30 pm – 8:00 pm
- Wed, May 18<sup>th</sup> – 5:00 pm – 7:00 pm
- Thurs, May 19<sup>th</sup> – 5:00 pm – 7:00 pm
